INFORMED CONSENT**

Please acknowledge each of the following with your initials.

Prior to receiving this Microdermabrasion Treatment, I have been candid in revealing all conditions that may have a bearing on this procedure, including, but not limited to pregnancy, recent facial treatments, surgery, allergies, tendencies to cold sores or fever blisters, use of Retin-A, Renova, Accutane, hormones, antibiotics, and all other medications.

I understand that there may be some degree of temporary discomfort associated with this procedure. I also understand that to achieve maximum results, I will need several ongoing treatments and will need to use recommended skin care products over a prolonged period of time. In most cases, it takes 2-8 months to achieve skin rejuvenation, acne improvement, and other desired skin changes.

I understand that there is a possibility for irritation and redness to occur after this procedure. I will notify Green Leaf Massage + Day Spa at (816) 645-0496 or email at info@greenleafmassagetherapy if I experience concerns about my reaction. I will follow home care regimens designed for me by Green Leaf Massage + Day Spa, and will not change any products without their notification. As with any skin care procedure there is always the possibility sensitivity, redness and striping. This should subside with in 24 hours.

The intensity of your treatments will be chosen according to the level of aggressiveness that you and Green Leaf Massage + Day Spa agree upon. More aggressive treatments generally yield a longer recovery period, and better results. Following the Microdermabrasion treatments, as with any skin care procedure, there is always the possibility sensitivity, redness and streaking can occur. This should subside with in 24 hours. Also avoid sun exposure during times of skin restoration and meticulously use a high quality sunscreen.

I understand that with this treatment, there are no guarantees of results or any degree of improvement of any particular condition and that there are no refunds offered under any circumstances.
